RECORD OF PROCEEDINGS

OF THE

ONE HUNDRED TWENTY-FIRST ANNUAL SESSION

OF THE

PEE DEE BAPTIST ASSOCIATION

HELD WITH

SPRING HILL BAPTIST CHURCH

Wagram, North Carolina

October 20, 1936

TUESDAY MORNING SESSION

October 20, 1936

1. On October 20, 1936, the One Hundred Twenty-first Annual Session of the Pee Dee Baptist Association convened in the auditorium of the Spring Hill Baptist Church in Scotland County.

2. At 10:10 o'clock A.M. Moderator Bruce Benton called the Association to the transaction of business and A. R. Brothers, Rockingham, led in the singing of "All Hail the Power of Jesus Name", assisted at the piano by Mrs. Selma Gibson, Wagram.

3. The morning devotion was led by A. R. Brothers and W. H. Moore, Wadesboro, prayed, after which the audience joined in the singing of "Am I a Soldier of the Cross?"

4. *Enrollment:* Clerk Charles B. Deane, Rockingham, called the roll of churches, announcing and recognizing the messengers. It was revealed that all churches were represented except Hoffman, Mt. Olive and New Hope. The 400 or more people registered for the sessions were designated the duly constituted Association for 1936.

5. In accordance with constitutional provisions the Association proceeded to elect the following officers:

(a) *Moderator and Vice-Moderator:* W. H. Moore, Wadesboro, placed in nomination Benjamin M. Covington, Wadesboro, and J. B. Willis, Hamlet nominated for this place Bruce Benton, Rockingham. Upon motion by Aubrey S. Tomlinson, Laurinburg, and a second by John R. Miller, Wagram, the nominations were closed. The chair designated T. W. Hearne, Rockingham and C. E. Ruffin, Ellerbe, as tellers to receive the ballot. It was voted upon motion by J. B.

Willis and seconded by John R. Miller that the nominee receiving the lesser number of votes would be the Vice-Moderator. T. W. Hearne teller announced that Bruce Benton received the nomination. Immediately Brother Covington moved that the vote be made unanimous. The motion was put by Charles B. Deane and unanimously carried.

(b) *Clerk and Treasurer:* Charles B. Deane, Rockingham, was re-elected Clerk and Treasurer upon motion by W. H. Moore.

(c) *Historian:* Upon motion by John R. Miller, E. M. Brooks, Peachland, was re-elected Historian.

7. Moderator Bruce Benton welcomed the following visitors during the sessions each of whom responded.

Tyner and Mrs. Tyner, Meredith College, Raleigh; *President* James B. Little, Wingate Junior College, Wingate; and Dina Dominquez Paulina Garcia and Hilda Garcia, Cuba, students; C. S. Smith and Mrs. Smith, Lumberton, and Guy B. Funderburg, Wingate.

Song: "Bless Be the Tie that Binds".

8. "Salvation by Faith" was the theme and verses from John 14, the text basis of the Associational Sermon ably preached at this hour by Aubrey S. Tomlinson, Laurinburg.

Song: "Sweet Hour of Prayer".

9. The following Associational Report splendidly prepared and at this period read by James Dockery Williams, Rockingham, was accepted by the Association upon motion by Charles B. Deane and the second of Aubrey S. Tomlinson.

THE ASSOCIATIONAL REPORT

10. There is the story of a farmer, who, in describing his Christian experience, used the following statement, "Well, I'm not making much progress, but I'm established." One day the farmer was hauling logs and his wagon sank into the mud. After failing to get the wagon out, he climbed up on the logs to study the situation. A neighbor and fellow-church member passed and said, "Brother Jones, I see you're not making much progress, but you're firmly established."

11. Baptists of the Pee Dee Association have been a part of the State and Southern Baptist conventions for years, and we are glad to say that we have not become established in the mud, but have progressed since then. Satisfaction is bad if it makes us lazy or careless, because the onward procession might change into the vicious circle that spells stagnation. In presenting this report, it is hoped that we may rejoice in our progress, and at the same time, heed the command to move to the fore for Christ.

THE CO-OPERATIVE PROGRAM

12. In giving through (not to) the co-operative program, we give to the support of the whole or complete plan of Christ: preaching, teaching, healing and visitation of the needy. It is important that we understand the method of operation of this co-operative program—the funds are given undesignated, and applied in proportion to the needs of all our causes. In North Carolina, 60% of the contributions are used at home, while 40% is given over to southwide needs. It is hoped that this can be changed soon, to a 50-50 basis. The plan is as yet, the most satisfactory that we can use. The HABIT of giving in this manner is what we need, because I'm sure we all understand its purpose—the proportionate support of ALL that Jesus would have us do as HIS followers.

MISSIONS

13. We have in American History, two great commissions. The first made George Washington commander-in-chief of the Colonial Army; and he led our colonies to victory. The second great commission sent Benjamin Franklin to the Court of France, where his service meant much to America. All through the world, there are great commissions, but the Great Commission is found in Matthew 28, and we hope that we may, in our capacity, obey the commission of Christ in its entirety.

14. For the past several months, we have been studying in Sunday School, about Christ's Commission that has changed the world, and about the spread of the new Christian religion, step by step, as He had directed. The three steps were First—establishing the nucleus at home—then working in the surrounding territory—and finally entering the world at large. It is our privilege to share in the work of three such fields.

State Missions

15. The organized efforts of our State Mission work is to win the people of North Carolina to Christ, and through our training agencies, to prepare them, as the State Missions Board says—to devote, not only a life, but a trained life to Christ's work. About one hundred and sixty churches in needy and strategic places are being aided now in pastoral work. Churches in educational centers are aided in order that

our students may have the best inducement to worship. Several churches are being helped in paying for adequate church plants.

16. Reverend Wayne Williams is carrying on his wonderful work among the sick veterans at the government hospital at Oteen, and Reverend and Mrs. M. C. Lunsford are continuing their fine work with the Indians in Robeson County. In 1935, the Baptist State Convention decided to let Reverend W. C. Somerville co-operate with the Negro State Convention in arousing and enlisting the quarter of a million Negro Baptists in the state. Let us pray that this work might continue to succeed in its purpose and that it might bring about a better racial understanding. The Board has two general missionaries—Reverend M. O. Alexander and Reverend J. C. Pipes, who give their attention to the state in general. Let us fortify our home base, because, upon that rests all our mission work.

Home Missions

17. Our Samaria consists of the Southland and Cuba—that is, the territory of the Southern Baptist Convention. No greater challenge confronts us as Christians than the winning of the people within our homeland borders, who need Christ. 10,000,000 Negroes, 5,000,000 foreigners, 200,000 Indians in Oklahoma and New Mexico, 800,000 Mexicans on our side of the border, and 600,000 French in Louisiana are enough to make us forget our back-fence squabbles and get to work on our possibilities among these people.

18. The Home Mission Board is making splendid progress, considering its financial limitations. Twenty-seven new missionaries were appointed last year, who bring the total up to two hundred and eighty-three, working eight hundred and ninety-four mission churches and mission stations. Bibles are distributed, a sanatorium is supported, an orphanage for Mexican children is maintained, a free clinic is furnished for poor children in Cuba, and other worthy activities are carried on. This has been done for two years without borrowing money, and payments are being made on the principal of old debts.

Foreign Missions

19. The Gospel message, having radiated from the center or origin on toward the circumference of the mission field, is now carried by Southern Baptists into fifteen foreign countries. We rejoice in the fact that last year, there were reported from our fields, 13,982 baptisms. This means that splendid progress has been made since the beginning of our foreign mission work ninety-one years ago. Our next thought is, that the possibilities before us are so much greater than the progress made. The outlook is hopeful, however, both in a material and in a spiritual sense. The debt has been reduced since January 1st, 1935 by $480,500—leaving the present debt about $444,000. The Board has

pledged to live within its income, and by 1938 it expects to pay its debt entirely. Let us work for increased contribution toward this end.

20. The W. M. U., in addition to its Lottie Moon and other offerings, has pledged to secure 25,000 new members for the Hundred Thousand Club, a good proportion of whose funds go to Foreign Missions. W. M. U. has beyond a doubt, saved us from more serious retreat on foreign fields. To insure the return of our missionaries on furlough to their work, let us pledge greater financial support and more earnest prayers.

CHRISTIAN EDUCATION

21. "The Christian College is the center for the reorganization of society after the mind of Christ," says our beloved Dr. William Louis Poteat, who celebrates his eightieth birthday today, October twentieth. The influence of the Christian College is an invisible light beam which may touch off in man, the motive that is higher than financial gain and political aspiration—that motive of searching for truth, and in its light, serving fellowmen and crowning Christ our perfect King.

22. Our Baptist colleges and seminaries are educating around 23,000 young people in the light of Christ's teachings. Their properties and endowments are valued at over $60,000,000, but their value is not estimated in dollars. Such things as progress, Christian influence, and the way to salvation cannot be termed in statistical figures. We must make our future leaders Christ-conscious or the world will bleed itself to death on the battlefields of competitive greed, jealousy and treachery. "Christian education," says *Herald and Presbyter*, "is the sole hope of our nation. If our people grow up in succeeding generations without the permeating and saving influences of divine truth in their hearts and lives, we will become increasingly materialistic and unbelieving and immoral, selfish and hard, lost to the true principles of high and holy character. True religion is no more sectarian than sunshine or rain, and every one who has any concern for the welfare of the children and of the nation must combine in securing true training for those who are coming now to years of responsibility and activity."

BENEVOLENCES

The Hospital

23. Our Baptist hospital in Winston-Salem is the result of our desire to do on a large scale something for those who are suffering. The joy of our hospital work is that it furnishes treatment for many who are not able to afford it. Of the four thousand expected patients for 1936, almost one-half of that number will be part-pay and free patients. Although the Duke Endowment gives about one-fourth of the daily cost of each patient, Mr. Hagaman and his fine staff of sixty-six doctors, nurses (forty-seven), and surgeons must depend largely on our

desire to have a supporting part in their work. Through our church offerings, especially on Mother's Day, the greater part of the expense of the hospital is derived. Our healing of the sick in body is but a continuation of the practice of Jesus.

The Orphanage

24. The part of our work that is concerned with the care of little children is the part that always attracts our attention. For several reasons, it should attract our attention, and, of course, the first is our desire to see children reared under a well-rounded and Christian program. Mills Home and Kennedy Home have given about four thousand children nourishing food, wholesome activities, thorough training and Christian influence.

25. Even though we realize that all the fine things that are being done, require money, and that the limited physical plant of the orphanage needs to be expanded, less than three hundred of our two thousand, four hundred and ten Sunday Schools even attempt a monthly offering for the orphanage. It is chiefly through the Thanksgiving offering that the funds are supplied. Mr. Greer and his helpers need both our material and our spiritual support in giving these members of the future generation, their opportunity in the world.

Relief and Annuity

26. In the eighteen years of its service, the Relief and Annuity Board has directed a cheering ray of comfort and reassurance into the lives of several thousands of our aged ministers and widows of ministers. Never has a worthier cause been supported, because these men and women have spent their lives in serving God and God's people. It is not just that they should be dependent and insecure in their latter years. Increased contributions are sought by means of a Fellowship Offering to be taken at least once a year in each church in connection with the observance of the Lord's Supper. Over one hundred North Carolinians are helped yearly by the Relief Fund.

27. The younger men in the ministry may prepare for the future through the Annuity fund by paying a small percentage of the monthly salary, supplementary to a similar percentage paid by the church. Only one-fifth of the cost is paid by the beneficiary, because the denomination pays the remaining four-fifths through the Annuity Board.

TRAINING ACTIVITIES

Sunday School

28. "A good Sunday School is not an accident" is a truthful statement found in our Baptist manual, *Building a Standard Sunday School.* It is equally true that the splendid state work is not an accident, but is built by the active and loving hands in charge of it. Realizing that the essentials of a good Sunday School must be known, that the plans

for building a good Sunday School must be understood, and that the specifications for building a good Sunday School must be faithfully followed, our workers are making North Carolina aware of the essentials, plans and specifications.

29. Last Sunday, in our classes, we considered the subject of Evangelism and the Bible, and we are glad that we have a well-organized department to teach the Bible and to help evangelize our people. Our individual and combined co-operation is not too much to give in reaching the thousands who are unenlisted and unsaved. Our smooth-running organizations do not give reason for our let-up in trying to reach people through our Sunday Schools. Comparatively recent data show a state membership (Baptist) of not quite 400,000, but on the other hand, there are said to be more than that number of children in our state who cannot be reached by Sunday Schools. Let us be thankful for the large work we can do in Christ's name, and let us apply ourselves with ever-increasing love and power to reaching the multitude that need our Christ and His teachings.

Baptist Training Union

30. The opportunity that is presented in our Baptist Training Unions is so great that every effort should be made to enrich the work and widen its scope. The Sunday Schools teach our Christians and try to bring non-christians to a saving knowledge of Christ. Is the work of enlisting and training our church members any less important? Although the adult unions are growing the majority of the members of B. T. U. are our young people, and they need this very training to prepare them to be our consecrated and informed church leadership of the future. If our members would be strong in the grace that is in Christ Jesus, they must have more than a speaking acquaintance with the Bible, faith, prayer, our denominational work and the needs of today. Through the Baptist Training Unions, the members learn these essentials by participating in a program of Christian training that cares for the spiritual and social needs of youth—whether that youth be ten years old or fifty. Only one or two over half our thirty-two churches in Pee Dee Association are training their members through our training agency. We pray for co-operation on the part of our parents, and for sincere and God-nourished consecration on the part of all leaders and members, as they live for Jesus.

31. This movement is going to fail of its purpose unless we keep it on a consecrated and inspirational basis, and unless we remember that B. T. U. is a part of the church that trains for church membership. If we go to B. Y. P. U. to thus train, let us remember to put our training into practice in the church work. No person is loyal to the purpose of B. T. U. who lets it interfere with his church services.

RELIGIOUS LITERATURE

32. The official organs of the Sunday School, Baptist Training Union, Baptist Student Union—in fact, all our splendid denominational periodicals—are worthy of mention because of their assistance to our work. However, only our state papers, the *Biblical Recorder* and *Charity and Children* will be discussed.

33. The *Biblical Recorder* is our able official paper, and through its weekly messages, we are kept in touch with religious affairs, both local and at large. It is our unifying medium, and lets the right hand know what the left is doing, so that there may be informed co-operation and inspiration.

34. *Charity and Children* is the organ of our Baptist Orphanage, and has a circulation of 27,800. It is valuable, not only because of its wealth of interesting and spiritual news for Baptists, but because it gives valuable training to many of the orphanage boys. It is the only department that makes any money for the orphanage. Let us pay up our subscriptions and get these papers in every home.

35. When Martin Luther threw his inkstand at the devil, he showed us what we should be doing today. The inkstand is literature, good or bad, according to the one doing the hurling. The devil is now the pitcher and we Christians must pitch a better game if we would score our hits.

Respectfully submitted,

JAMES DOCKERY WILLIAMS.

T. W. Hearne, Promotion *Chairman* in the Association presided and first called upon the Clerk who pointed out from a blackboard reproduced on the preceding page the statistical accomplishments by churches. It was noted from this digest of church letters for the year ending September 30, 1936 as compared with the period ending September 30, 1935 a certain decline. This was particularly true in baptisms and denominational gifts; whereas it is known that the denominational gifts received by the State Mission Board from other sections are considerably better. A new resolve was entered into with each church aiming to greatly increase its denominational gifts.

The Association rejoiced however in the accomplishment made by the Wadesboro church under the leadership of Pastor W. H. Moore, which reported $39,505.53 raised for local purposes, thus paying the church debt and is enabling them to complete their new church home to be dedicated in December, 1936.

50. With Vice-Moderator Benjamin M. Covington presiding a discussion of the Associational report was the special order.

51. Prior to the discussion of Christian Education by O. W. McManus, Gibson, C. B. Deane nominated and the association elected Roland S. Pruette as Trustee of Wingate Junior College for a three year term. The clerk explained that the Pee Dee Association was associated in the ownership and control of Wingate Junior College, along with the Union, Mecklenburg and Cabarrus Associations. President James B. Little made a report to the body and following his report he called upon Dina Dominquez, Paulina Garcia and Hilda Garcia students at the college from Cuba who sang in their native tongue. Continuing B. Y. Tyner from Meredith College and G. G. Page, Campbell College emphasized in brief speeches the importance of Christian Education.

52. J. Marvin Smith, Rockingham next discussed State, Home and Foreign Missions.

53. The Orphanage at Mills and Kennedy Homes was presented by Representative John Arch McMillan who was introduced by Charles E. Stevens, Morven.

54. Brother McMillan in the absence of the designated speaker spoke on the Baptist Hospital.

55. C. B. Deane having previously given notice introduced a resolution that would change the time for the election of the Associational Officers. Upon motion by W. H. Moore the resolution was passed as follows:

Resolved that Article 3 be amended as follows: That after the word 'elected', the remainder of the sentence be

eliminated and the following phrase be inserted: "*As the last item of business and just prior to adjournment,* and shall continue in office until their successors are elected."

56. A Committee appointed in 1935 (See Page 23, section 53) brought a report to the effect that the Pee Dee Baptist Association had little if any legal right to a tract of land near the Morven Church. The Committee recommended that the matter be dropped. It was so ordered and the Committee discharged.

57. "Accepting the Challenge" was the theme of the challenging message delivered by W. H. Moore, Wadesboro.

58. Benjamin M. Covington, Wadesboro, on behalf of the Association expressed to the members of the Spring Hill Churches the feelings of gratitude for the delightful way the Association had been entertained. This expression was voiced by the Association by standing vote upon the second of A. R. Brothers.

59. "We Praise Thee O God" was the closing song led by George Wallace and thereafter A. R. Brothers prayed and the One Hundred Twenty-first Annual Session of the Pee Dee Baptist Association adjourned at 4:30 P.M.

Proceedings
of the
Fourth Annual Pee Dee Baptist Associational

SUNDAY SCHOOL CONVENTION

Rockingham Baptist Church
Rockingham, N. C.
August 30, 1936

1. The Sunday School Convention of the Pee Dee Baptist Association held its fourth annual session with the Rockingham Baptist Church at 2:00 o'clock in the afternoon of August 30, 1936.

2. C. C. Reece, Gibson, Superintendent, called the meeting to the transaction of business and C. O. Funderburk led the group in the singing of "Help Somebody Today" and thereafter read 2 Timothy 2:15 and the 1st Psalm. E. P. Pearce, Hamlet, prayed and the convention again sang, "I Will Sing the Wondrous Story".

3. Superintendent Reece brought greetings to the Convention, emphasizing the fact that the records show a forty-two percent increase in efficiency and work in the Association over last year. He voiced, however, a strong feeling for the need of more co-operation from his own officers and the superintendents of the various Sunday Schools and Pastors in the Association.

4. A Committee composed of W. H. Moore, J. B. Willis and J. R. Terry, were named to recommend the place for the next meeting. A roll call of the churches revealed forty-seven delegates present from the following churches: Cordova, Ellerbe, Gibson, Hamlet, First, Pee Dee, Pleasant Grove, Richmond, Red Hill, Rockingham, First, Wadesboro, First.

5. Miss Mildred Brooks, Hamlet, pleased the group in the presentation of a practical discussion to better the Sunday School work. She emphasized particularly the need of visitation and how to get results.

6. Miss Brooks was followed by O. W. McManus, Gibson, who used as a theme, "Why Study the Bible in the Sunday School".

Song: "I Love Thy Kingdom, Lord".

7. A report was made by J. B. Willis from the Committee on Place, and recommended that the Convention hold its next meeting with the Wadesboro Baptist Church. Upon motion by J. R. Terry, the report was accepted. At this point the Associational Superintendent voiced the feeling whether or not to continue the Sunday School Convention in the Association. Pastor T. W. Hearne, Rockingham, arose and brought a strong appeal that the work be continued even though it is far from what is desired. Following these words the Association resolved to continue the work and T. W. Hearne from the floor nominated C. C.

Reece, Gibson and R. P. Harris, Gibson, for re-election as Superintendent and Secretary-Treasurer respectively. The Convention elected these parties and with it the instruction to select themselves the various group Superintendents.

Proceedings
of the
Eleventh Annual Pee Dee Baptist Associational

BAPTIST TRAINING UNION CONVENTION

Hamlet Baptist Church
May 3, 1936

1. The Eleventh Annual Pee Dee Associational Baptist Training Union Convention convened with the First Baptist Church, Hamlet, on the afternoon of May 3, 1936, with C. Ray Little, Polkton, presiding.

2. The song and praise service was led by the B. T. U. of the Hamlet Church, with Bobby Carroll directing.

3. At this time the President recognized the presence of 150 delegates who came from the following churches: Deep Creek, Ellerbe, Gibson, Gum Springs, Hamlet, First, Laurinburg, First, Lilesville, McDonald, Polton, Red Hill, Rockingham, First, and Wadesboro, First.

4. President Little at this time appointed Pastors Aubrey S. Tomlinson, J. B. Willis, and W. H. Moore, and Miss Mabel Starnes, assisting, as a Nominating Committee to report at a later hour nominees to act as officers for the ensuing year.

Song: "He is So Precious to Me".

5. The newly elected Southern Regional President, Truby E. Powell, Littleton, brought a forceful message on "Facing the Facts in the Pee Dee Association". His message revealed the fact that only seventeen percent of the five thousand Baptists in the Pee Dee Association are enrolled in the Training Union.

Song: "I Am Resolved".

6. Miss Mabel Starnes, State B. T. U. field worker, brought a splendid message on the theme "I Have Set Before Thee An Open Door, and No Man Can Shut It". Her well chosen thoughts brought a real challenge for more devotion to B. T. U. work.

7. The Report of the Nominating Committee presented by Pastor J. B. Willis, was received here and upon motion by Pastor W. H. Moore, the following officers were elected:

Rev. Aubrey S. Tomlinson, Laurinburg, Pastor Adviser; Mrs. Betty Seawell, Rockingham, President; E. P. 10. The Associational Report, covering all phases of the Denomination Program, was read by W. H. Moore, Wadesboro, to be appreciatively received and recorded as follows upon motion by E. P. Pearce, Hamlet.

THE ASSOCIATIONAL REPORT

THE CO-OPERATIVE PROGRAM

11. The Co-operative Program was adopted by Southern Baptists as the best plan of carrying out the command of Jesus to give the Gospel to a lost world. It discourages supporting one phase of Kingdom work to the neglect of the whole. In order for the plan to succeed, every state in the Southern Baptist Convention must contribute liberally through this plan to all of its objects. This can be done only when the Associations of each state enlist all of their churches in co-operation with this program; the success of each church depends upon the support given by its members. The Co-operative Program is an effort to correlate all the work of the Southern Baptist Convention into one budget, thereby enabling every member of all our churches to share through his contributions the success of the work at home and abroad. In order to accomplish this, it is necessary for every church to set up a budget as a goal and put on yearly an intensive every-member canvass to secure a pledge from each member for some definite part of the budget, and in no case should this pledge be for less than the tithe of the member's income.

MISSIONS

12. Missions originated in the heart of God. It is His eternal plan for the redemption of a lost world through the preaching of a personal faith in His Son as the one and only Savior, who atoned through His vicarious suffering on the cross for the sins of all people. Therefore God has commanded that through human agencies this message should be proclaimed to all the world, making disciples of all nations.

Dr. W. O. Carver says, "In the Bible, we find the missionary thought in God's heart, the missionary message in Christ's atonement, the missionary duty in our Lord's commands, the missionary power in the Holy Spirit, whom God hath given to them that obey Him."

State Missions

13. Our work of State Missions is going forward under the capable direction of Mr. M. A. Huggins, Secretary and Treasurer of the General Board, ably assisted by his faithful co-workers. M. O. Alexander and J. C. Pipes are general missionaries in the Department of Missions. The Department of Christian Education is under the direction of W. Perry Crouch, Secretary. The division of Sunday School is directed by L. L. Morgan, Secretary. The division of the Baptist Training Union is under the direction of Nathan C. Brooks, Secretary, and Miss Mabel Starnes, Associate Secretary. The Department of Student Activities is directed by Miss Cleo Mitchell, Secretary. The Department of Benevolence is under the direction of R. T. Vann. The Baptist Book Store is under the successful management of Mrs. Roger P. Marshall.

Under the Department of Missions there are approximately sixty-three missionary pastors serving 133 churches. These workers reported

last year 1,501 conversions, 889 baptisms, and 687 additions to their churches from other sources. Missionaries Alexander and Pipes were busily engaged in revivals and conducting many other meetings with special groups in the work of enlistment and promotion, which greatly strengthened and blessed our work.

Under the Department of Sunday Schools the work has been faithfully carried on by Secretary L. L. Morgan. With the assistance of a large number of special workers, he has held numbers of Sunday School revivals, institutes and enlargement campaigns that greatly blessed and encouraged the Sunday School work and workers.

Under the division of the Baptist Training Union, Secretary Nathan C. Brooks and Miss Mabel Starnes have greatly stimulated and assisted the Baptist Training Union work in all of our churches through their well planned programs and untiring efforts.

Under the division of Student Activities Miss Cleo Mitchell, Student Secretary, is engaged in caring for the spiritual interests of our Baptist Young People in colleges.

The Sunday School, Student Activities, and Baptist Training Union are under the supervision of the Department of Christian Education directed by W. Perry Crouch.

Our Board is gradually liquidating its debts; the amount owed now is largely for bonds endorsed for educational institutions. The Board has announced a policy, "No borrowing by the Convention, or any of its institutions, or agencies."

Our Board has endorsed the Hundred Thousand Club and is promoting this work on a basis of a division of fifty-fifty between the Club and the Board, the Club furnishing the literature for promotion, and the Board paying the expense of the collection. This arrangement is strongly commended as an agency to supplement funds that are to be used only in the payment of the debts of the Southern Baptist Convention and the State Mission Board.

Our State Mission Board promotes interest in all the objects of the Co-operative Program, collects funds that are forwarded to the Executive Committee, of the Southern Baptist Convention, which makes distribution to the different objects according to the percentage allocated by the Southern Baptist Convention.

Home Missions

14. Our Home Mission Board, located in Atlanta, Georgia, under the direction of J. B. Lawrence, Executive Secretary, has been operating for some time within its income, and is gradually paying its stupendous debt. Progress is being made in the work of evangelism, enlistment, stewardship and missions. The Board is ministering to the spiritual needs of the people in Cuba and Central America, in this country, to the foreigners, the Jews, the Negroes, the Indians, and the people of the mountains. Thirty-five new missionaries have been located in new fields

of service. There are 327 missionaries and 850 stations. A great harvest of souls is gathered into the Kingdom each year through the ministry of this great company of unselfish, faithful workers.

Through the Building and Loan Department, many new church buildings have been erected and old ones improved.

Foreign Missions

15. Our Foreign Mission Board is located in Richmond, Virginia. Dr. Charles E. Maddry is Executive Secretary. No man in modern times has been called upon to carry greater burdens or bear greater heart strain than Dr. Maddry. The terrible war now raging between Japan and China makes it very difficult for our missionaries in Japan to carry forward their work successfully, with the general impression prevailing that the sympathy of America is with China; and the fierce battles in China have destroyed much of our property and so endangered the lives of our missionaries that it has been found necessary, according to the request of Secretary of State Cordell Hull, to remove them from the danger zone, and if possible, from China. It may be necessary for our Board to return all missionaries from China. These conditions have created a necessity for an additional large sum of money. Unless our churches respond quickly and generously to the appeal of our Foreign Mission Board, it will be necessary to greatly increase the Board's debt that has been so rapidly reduced. On January 1, 1933, the Foreign Mission Board debt was $1,110,000. On May 1 this year it had been reduced to $367,500, the interest on same reduced from six to four per cent.

We strongly urge every church in our Association that has not already done so, to immediately take the largest offering it is possible to secure and forward at once, directly to the Foreign Mission Board, Southern Baptist Convention, Richmond, Virginia.

The final request of our Lord was that His followers should carry the Gospel into all the world, that all nations should become His disciples. The missionaries of this Board have carried the Gospel message to fifteen foreign countries where it has proved to be the power of God unto salvation, in the conversion of thousands of lost souls, numbers of whom having become special workers in the Kingdom, have led in organizing many churches, and in the building of many houses of worship.

Our Foreign Mission work consists of evangelism, education and healing. We have many natives preaching the Gospel in the different lands where our work is located, a number of schools, seminaries and publishing houses. We have some well equipped hospitals that are reaching many souls through successful ministry to their sick and suffering bodies.

CHRISTIAN EDUCATION

16. The Baptists of North Carolina are well equipped for the work of Christian Education in the fullest and highest sense. Wake Forest, Meredith, Chowan, Mars Hill, Campbell, and the college of our own,

Wingate, are under the direction of as capable, consecrated teachers as can be found in any institutions. They have contributed to the production of as fine Christian men and women as have ever blessed this world. The real task of our educational institutions is to make and keep the students genuinely Christian in all their ways in life, promoting information and spiritual co-operation in service to God and man. All of our colleges are overflowing this year with students who are eager to prepare themselves for the highest efficiency in Christian living. Mrs. John Lane has said, "Christianity exalts reverent scholarship." Reverent scholarship always seeks to know the will of God and how to perform it. Our Baptist colleges keenly feel their responsibility to inculcate in their students worthy attitudes toward God and Man.

Southern Baptists through the support of the Sunday School Board at Nashville, Tennessee, under the management of Perry Morgan, have a great educational institution in the Baptist Assembly located at Ridgecrest, North Carolina. Each year thousands of boys and girls, young men and women and those of more mature life receive religious instruction and inspiration at this beautiful place of rest and recreation.

BENEVOLENCES

Orphanage

17. The orphanage work has a great appeal to the hearts of North Carolina Baptists; therefore we have under the direction of I. G. Greer, the general superintendent, two as fine institutions doing as efficient work for orphan children as can be found in the world. The larger, the parent institution, Mills Home, is located in Thomasville, under the personal direction of Mr. Greer, and Kennedy Home, located at Kinston, North Carolina, under the supervision of J. C. Hough. Both institutions are well equipped for doing most satisfactory work in educating, training, and caring for our children. A deep spiritual atmosphere permeates all the activities and life in our orphanage institution. Consecrated men and women ably care for this glorious work entrusted to them by our Lord and Savior.

The health of our children is unusually good. The results of all our work is very satisfactory. Besides the hundreds who are cared for at Mills and Kennedy Homes great numbers are helped through the Mother's Aid, making it possible for them to remain under the influence of their mother's ministry.

These children of ours receive no support from the churches except the annual Thanksgiving offerings and the once-a-month contributions from our Sunday Schools. Last year in this Association there were four churches that gave nothing at all to this cause. The total gifts from the churches and Sunday Schools of the Pee Dee Association was only $1,836.02. Surely every church and Sunday School if it be ever so small will have a part in this glorious work. Let us pray for and give to this

institution in a way that we will rejoice when we hear our Savior say, "In as much as you have done it unto one of the least of these, you have done it unto me."

Hospital

18. Jesus went about healing all manner of sickness and disease as well as forgiving sins and saving souls. By relieving suffering humanity of their physical ailments, He was able to draw them unto Himself.

Our Baptist Hospital in Winston-Salem is undertaking in the name of Christ to cure people, relieving them of suffering and prolonging life for the glory of our Lord. No doubt, many fathers have been spared by the ministry of this blessed institution to support their families and to live for the glory of God. Many a precious mother has been carried helpless and almost hopeless to that good hospital of ours. After God so graciously ministered to her needs through the unsurpassed doctors, surgeons, and nurses, who so faithfully serve there, she was enabled to return to her home restored in health to care for her children.

The only means of support that the hospital receives from the churches is the offering made each year on Mothers' Day. Every church and Sunday School should make a generous offering to this work so dear to the heart of our Savior. The work promises great opportunity and deserves larger support.

The Relief and Annuity Board

19. The Relief and Annuity Board of the Southern Baptist Convention, located at Dallas, Texas, under the able administration of Dr. Thomas J. Watts, Executive Secretary, is making a very sincere effort to enlist all of our pastors and churches in a plan whereby the church pays each month three per cent of the pastor's salary and the pastor pays three per cent of his salary, creating a fund that will be paid to the preacher in monthly installments beginning at the retirement age of sixty-five in amounts according to what the church and the preacher have paid into the annuity fund which is based upon the amount of the average salary that the minister has received.

If the minister finds it necessary to discontinue his payments into the fund, he is entitled to withdraw what he has paid in with the accumulated interest. Not only does the minister receive payments from the fund during his life after retirement, but his widow and children benefit therefrom after his death.

RELIGIOUS LITERATURE

20. The *Biblical Recorder* is our only official source of information concerning the work of North Carolina Baptists. The limited number of subscriptions to the *Recorder* from our Association is a reflection on our interest in the work of the Kingdom committed to us. The *Biblical*

Recorder gives to us each week reports of the work of the Sunday Schools, Baptist Training Union, Woman's Missionary Society, and the work of the churches in general besides many devotional, educational, and inspirational articles concerning our Southern activities and Baptist achievements throughout the world.

We earnestly urge that every Baptist home receive and read the *Biblical Recorder* and *Charity and Children,* the official paper of our orphanage published at Thomasville.

Respectfully submitted,

W. H. MOORE.

Song: "More About Jesus."

At this time it was determined that the Bethel Church constituted in 1916 also of Richmond County, previously a member of this Association disbanded in November, 1936, with the membership going to Ellerbe Baptist Church and some to Mt. ASSOCIATIONAL REPORT

14. **The Co-operative Program**

Co-operation is a word conveying a principle taught and cherished by Baptists from the very beginning of Baptist operations. Mentally we have accepted it; practically we have abused it. From the individual church on out to the furthest reaches of our denominational organization and program, we have been convinced of the imperative

need of co-operation. We have grouped ourselves into churches, associations and conventions for the purpose of working together and advancing more effectively Kingdom interests. Our advance has, in large measure, been in proportion to our co-operation.

In order to provide necessary funds with which to carry on our Missionary, Educational and Benevolent enterprises, Southern Baptists have adopted the budget method of financing, or, what they are pleased to call, "The Co-operative Program." Through this plan every agency receives its pro rata of all the undesignated funds committed to our Secretaries for distribution.

15. State Missions

It is a fact no longer challenged that State Missions ever has been, is today, and must ever be the base of supply in all our denominational work. We have but to study its claims and to know its history to see that it is indispensable to the work of the Kingdom. To know the history of State Missions in North Carolina is to marvel at its progress. We are proud, and justly so, of our Mission record but we must not forget that there is yet much land to be possessed for God. Into our borders comes an ever increasing flow of immigrants, some without the truth, and others with false conceptions of the truth, either of which is perilous and detrimental to the cause of Christ. We must meet these conditions with the whole truth. When we are loyal to State Missions, as an organized system, we are loyal to the eternal principles of the Kingdom.

For more than a century the objective of State Missions has been to win the people of North Carolina to Christ and then to the fellowship and service which the churches provide. Its effort has been first of all, to win the heart to Christ, and from a surrendered heart, will come service, means and all that is high and worth while.

State Missions reports itself in Missionary Pastoral Assistance, Teaching and Training, Church Building, Work Among Students in the Colleges, Hospitals and Sanatoriums, work with Negroes and Indians, etc.

A major emphasis of the Southern Baptist Convention and of our State Mission program during 1939 is to be evangelism. Let us as churches and individuals give ourselves whole-heartedly to this much-needed and worthy program.

16. Home Missions

At the base of all our Foreign Mission work lies the prosperity of our work at home. The louder and more impelling the call from abroad, the greater is the necessity for an adequate base of supplies at home. If Home Missions meant only the evangelization of America it would be worth while, but the evangelization of the world depends in a large measure upon America, and never before in American

history have there been such insidious attacks upon true Christianity as there are today: Christian Science, Russellism, Mormonism, Unitarianism, etc. are being spread abroad through our land.

The Home Mission Board is lifting up Christ in the homeland among the Indians, the Negroes, the under-privileged in the cities and congested industrial sections, and in Cuba and Panama. In all its departments of work, the Board has 327 missionaries working in 850 mission stations. During the past convention year we have placed in the field 35 missionaries and have opened 36 new mission stations. We have done a notably fine work among the Jews, under the leadership of Rev. Jacob Gartenhaus. The re-established department of evangelism under the direction of Dr. Roland Q. Leavell is doing much to quicken the fires of evangelism throughout the South.

The Board has endeavored faithfully to perform its stewardship by pushing the mission work, and at the same time handling its finances so as to retire the indebtedness. Through the gifts of the Hundred Thousand Club, wise economy and painstaking efforts on the part of the Board, an appreciable amount has been paid each year on its debts.

Twenty-two million souls out of Christ here in the homeland cry out to us for the bread of life. Is not this alone enough to make us lift up our eyes and look upon the fields that are white unto harvest?

17. Foreign Missions

Love to God and compassion for men are the motives that will create within us an interest in Foreign Missions. There is perhaps no other part of our work in which is to be found so much of the spirit of our Master. There is no better index to the spiritual condition of a church than the interests she has in a lost world. Foreign Missions reaches to the ends of the earth with its message of salvation.

In ninety-three years the Foreign Mission Board has not seen more troublous times. The whole world is its field of service and almost the world around war clouds are hovering with depressing and menacing effect. Most of our mission property in the Central, interior and North China Missions is now in the hands of the Japanese military authorities, and our missionaries are not even allowed to inspect the property and ascertain the extent of the damage. Many of the missionaries have lost all of their personal effects, household goods, clothing, books and all of those intimate personal accumulations of a lifetime. It is estimated that at least fifty missionaries have lost an average of $1000 each in personal belongings. In spite of such losses, dangers and trials, these missionaries of the Cross carry on, smiling through their tears.

Their spirit is a challenge to us in the homeland.

For the calendar year 1937, the Board received for its work from all sources the sum total of $1,077,996.34. Our debt now stands at

$316,000. Within the past five years we have paid on the principal of our debt $771,510. The Board has lived within its income and has not borrowed any money in five years.

Statistics offer the following report: number of Baptisms, 14,027; total native membership, 208,794; total contributions by native churches, $370,638; total native churches, 1,802; total number self-supporting churches, 986.

18. Christian Education

Man is differentiated from other animals in that he has greater capacity for education. This superior capacity gives him supremacy over the lower animals. There is an education however, that makes man more dangerous than the untrained and untaught animal. The education that fails to give character and principle the supremacy over knowledge and that makes other than Christ its center is worse than ignorance. The education that cultivates and trains the brain but neglects the heart is worse than illiteracy. To meet and conquer the complex situation surrounding us today, we must have an educated citizenship, a citizenship educated in the highest sense of the term. If we as a denomination are to advance or even hold our own we must give Christian Education its place.

Wake Forest College with its consecrated professorship and its amiable record is to us an object of pride. Her scholarship, her spirit and her efficiency give her a high place among the great Colleges of the South. Meredith is doing for our girls what Wake Forest is doing for our boys. Chowan, Campbell and Mars Hill are the Junior Colleges under Baptist control and ownership while Wingate and Boiling Springs are doing a most excellent work in the Junior College field, though not now owned by the State Convention.

We have demanded of these colleges that they give our children Christian Education and they have not betrayed the trust. And now upon us they assert their claims; claims that are not unjust. They ask of us our patronage, our prayers, our moral and financial support. Upon us more than upon them depends the future of these colleges.

19. Hundred Thousand Club

The Hundred Thousand Club is steadily gaining ground and favor among Baptists of North Carolina and the South. Slowly but surely our debts are being paid. If we had the full one hundred thousand members each paying his dollar every month we would soon have a debtless denomination. Up to May 1, 1938 the sum of $843,051.17 had been received in the Nashville office from this Club and every penny of it has been paid on the principal of the debts of the southwide agencies. $33,107.60 came from North Carolina. (Since the division of Club receipts beginning July, 1937, $7,384.73 has been kept in the state.)

This effort has stopped over $50,000 in annual interest, strengthened the morale of our people, re-established our credit, encouraged all of our agencies and has reduced our southwide debts from six million dollars to less than three and one half. Surely it deserves the hearty support of all our people.

20. Biblical Recorder

Our people need to learn that the *Recorder* is not a liability but an asset. Every department of our denominational work depends largely for its success upon the *Recorder*. If this paper were to suspend publication and no other medium of communication established to take its place, the effect upon all our denominational work would be disastrous.

The paper sustained a severe loss in the recent home-going of Brother J. S. Farmer who for long years served in the capacity of business manager and later as editor. In both these capacities he did a notably fine work. With brethren R. A. Dunn and R. F. Terrell as business and circulation managers respectively and Dr. G. W. Paschal, contributing editor, the work has been carried upon its high plane of efficiency and usefulness since the death of Brother Farmer.

Benevolences

21. The Orphanage

There is no institution nearer and dearer to North Carolina Baptists than our Orphanage. It operates two homes, the Mills Home at Thomasville and the Kennedy Home at Kinston. The purpose of this institution as provided in the charter, is, "to prepare poor and promising orphans for the duties and responsibilities of life."

The health record is unparalleled. Out of the large family in the two homes only one child has died in over six years. This health record is attributed largely to the fact that the children are fed well and that they eat and sleep regularly. They work, play, study and sleep under proper supervision. Their educational advantages compare favorably with those offered by other schools of the state. The Mills Home is a unit in the Thomasville graded system while the Kennedy Home children attend the La Grange school where they have the same privileges as other children of the community.

"Charity and Children," as its organ, is the right hand of the institution. The circulation of the paper is now 27,870. Through the printing and job department the boys are given some valuable training.

The expense bill of the Orphanage averages upwards of $450 per day. If all the churches of the state would adopt, as many have, the once a month Sunday School and Thanksgiving collection the expenses would be easily cared for and the Orphanage could go forward with a much enlarged program of service. What shall the future of this great institution be? North Carolina Baptists have the answer.

22. The Hospital

The North Carolina Baptist Hospital at Winston-Salem has for some fifteen years been doing a fine social service as a denominational agency. Its beds are occupied at all times, and there is pressing need for additional capacity. Its modern equipment, its excellent medical and nursing staff, operating always under a spirit of prayer and earnestness, account for its remarkably low death rate. Its ministry of healing reaches throughout and far beyond the bounds of our state. Receipts from the Co-operative Program, Duke Foundation and the Mothers' Day offering of the Sunday schools are its means of support.

23. Old Ministers' Relief and Annuity

The Relief and Annuity Board of the Southern Baptist Convention has just completed its twentieth year of service. It has rendered a great service during these years but Baptists have been all too slow in realizing the plight and meeting the needs of her worn-out preachers. We have not kept step with the other leading denominations of the South in providing food, clothing and shelter for thousands of ministers who have grown old in the service of Christ and for the widows of ministers who have gone to their Heavenly reward.

The Relief and Annuity Board is asking that the churches take at least one Fellowship Offering in connection with the observance of the Lord's Supper each year and send it through the State Secretary-Treasurer to be used for these aged and dependent veterans. A growing number of our churches are following this plan but the great majority have neglected it.

24. Training Activities

For some years there has been a conviction on the part of many of our most interested workers that we were about to have too many organizations and a consequent overlapping of activities. In an effort to correct this possible danger the General Board recommended to the Baptist State Convention and the recommendation was accepted, that we co-ordinate several of these separate divisions of our work and bring them under the supervision of one individual. We are trying now to think of Christian Education as one great task and under the fine leadership of Brother Perry Crouch we feel that we are going in the right direction. For more than a year he has been directing this new set-up and has shown an unusual grasp of the problems involved. Coming under his supervision is the work of the Sunday School, the B. T. U., the B. S. U. and Brotherhood.

The Sunday School Division has been in charge of Mr. L. L. Morgan. He has demonstrated his ability as a Sunday School leader and his wisdom and tireless effort have given him a high place among the Sunday workers of the South. This department has been greatly strengthened by the addition of Mr. and Mrs. J. B. Lane as Field Workers.

The Division of the Baptist Training Union is in charge of Nathan C. Brooks, Jr. as Secretary. With the assistance of Miss Mabel Starnes as Field Worker, Mr. Brooks will do a great service in this field.

A definite program of work has been begun among the men and students. Many Assoiational Men's Meetings have been held during the year which have apparently brought renewed interest on the part of our men in Kingdom Work.

With gratitude to God for the success and blessings of the past years and with a keen consciousness of the responsibility that is ours in doing well the tasks that lie ahead, may we in the light of his command, carry on until the work is finished.

Respectfully submitted,

J. B. WILLIS.

25. In the absence of Mrs. W. C. Barrett, Laurinburg, *Superintendent* of the Associational Women's Missionary Society, the splendid report on the work of the women was read by Aubrey L. Tomlinson, Laurinburg, and thereafter accepted.

REPORT OF WOMEN'S MISSIONARY UNION

In the true spirit of our W. M. U. Watchword, "Laborers Together With God," the women of the Missionary Union of the Pee Dee Association have worked together to build up the kingdom of Jesus Christ not only here but to the utmost ends of the earth.

It has always been the aim of our organization to instill missionary ideals and purposes in the hearts of the women, ideals which will find outward expression in definite and prayerful service. With this purpose always in mind the women have worked along the lines of organization, enlistment, prayer, gifts, stewardship, Mission Study and work among young people.

There have been 13 Junior Societies organized during the year and 6 Women's Missionary Societies, making a total of 19 new organizations. For these organizations, we bespeak the sympathetic encouragement, the interest and help of the pastors.

The financial record for the year has been most encouraging, $4,907.69 having been contributed to all objects. This is a substantial increase in gifts over last year.

In March, our Annual Meeting was held in the Baptist Church of Hamlet. The attendance was unusually large, the program constructive and interesting and the spirit very deeply earnest and co-operative.

In July, our Young People held an all-day rally in the Ellerbe Baptist Church. A large group of young people was present. Among the interesting speakers was Mr. C. K. D'jang, of Shanghai, China, a student at Wake Forest College. This meeting was under the direction of Miss Hattie Marks, of Rockingham, Associational Young People's Director.

In conjunction with Stanly, Union and Montgomery Associations, the women of the Pee Dee Association held a Mission Study Institute in Wadesboro in April. This institute proved very helpful in promoting the cause of Mission Study.

Our women took a very definite step forward in the training of our Young People when they secured a cottage at Ridgecrest for the duration of the Southwide Y. W. A. Camp, this cottage to be occupied by representatives from our Young People's Organizations. Fourteen of our young people and counselors enjoyed the wonderful fellowship and spiritual enrichment of this great encampment.

Our women have entered heartily into all plans for our great Golden Jubilee Celebration during 1938.

We are humbly grateful unto God for what has been accomplished and as we go forward in His service, we ask your prayers, your interest and your support.

Respectfully submitted,

MRS. W. C. BARRETT.

ASSOCIATIONAL REPORT

13. **The Co-operative Program**

Southern Baptists have never found a better plan by which to carry on their conventional work than by the Co-operative Program.

Its value:

1. It enables me to carry out my part of Christ's Program of service, benevolent, educational, and missionary.
2. It enables me to have a part in all that is being done.
3. It enables me to have some part in the whole work of Christ each and every week of the year.
4. It enables me to help do all that needs to be done because it includes every sort of service that anybody might wish to render. It is the only program in the world that is inclusive of every human need.
5. It enables me to carry out God's financial program for His Kingdom.
6. The Co-operative Program does not leave the causes of Christ to become the victims of temporary weather conditions, depressions in business or other hindering causes. It is the soundest, safest, surest, most successful and most scriptural method we have ever found for carrying out Christ's will in the world.

14. **Recommendations**

1. That we approve the Co-operative Program, and pray God's blessings upon this effort to support all the causes of our denomination in a worthy way.
2. That all churches put on a campaign in the interest of both local expenses and the Co-operative Program.
3. That all Co-operative Program receipts and other denominational funds be remitted promptly each month to Mr. M. A. Huggins, Treasurer, Biblical Recorder Building, Raleigh, N. C.

15. **Report of Missions**

The Spirit of Missions is the heart of the Great Commission spiritualized. The doing of mission work and the carrying forward of a great missionary enterprise is the plan of the Great Commission put in operation. Our missionary endeavors are the answer of Southern Baptists to the call of the Great Commission. Our mission work is divided into three rather natural divisions—State, Home, and Foreign.

16. **State Missions**

We understand State Missions to be a missionary enterprise having to do with, and being confined within limits of, our State. This State work has several departments, such as assisting weak churches to support pastors, assisting in building houses of worship where such help is required, developing country pastorates, evangelism, and in Indoctrination and Enlistment. Surely we should be interested in the matter of indoctrinating our people when so many are led away by false and foolish doctrines and isms, and in enlistment, owing to the alarming

fact that more than half of our church members never contribute a penny a year for missionary, educational, and benevolent objectives.

17. **Report on Home Missions**

The old frontiers of Home Missions have passed and new frontiers have taken their place. The rapidly developing industrial life of the South, together with the world-currents that are flowing through and around our Southern Zion, are creating ever enlarging opportunities for mission work.

Here in the homeland, as elsewhere in the world, forces are at work on a gigantic scale to give a new "set" to our social, economic, cultural and religious life for generations to come. In this field of cross currents and adverse elements we must bring the impact of the whole denomination to bear upon the task for creating a Christ-like social order.

The outlook for the Home Mission Board is brighter right now than it has been for years. This is not because the Board is receiving more money, and yet it is, but it is because of the confidence which the brethren throughout the territory of the Convention evidence in the Board, and because of the belief registered everywhere by our people that the Board is still doing and will continue to do a necessary and valuable mission work.

Achievements

The past year has been a year of glorious achievements for Home Missions. The Lord has richly blessed our missionaries in every field. The Home Mission Board now has 371 missionaries and 756 mission stations. During the past year 39 were added to the mission force. Sixty-four new mission stations were opened and 20 chapels were acquired. The missionaries have distributed 29,226 Bibles, Testaments, and portions of Scripture, and over 790,000 tracts. They have preached 29,454 sermons, led over 5,250 to make profession of faith in Christ, and have received 3,835 into the fellowship of the church.

Increasing Gifts to Home Missions

The past year was one of the best financially in many years for the Home Mission Board. Receipts were larger than the year before. Marked progress was made in the payment of debts. The Board received from all sources $513,841.80. The Treasurer's report shows that $163,660.89 was paid on the principle of the debt. A debt payment program has been mapped out which will liquidate all the debts of the Home Mission Board by 1945 provided receipts do not fall below the receipts of 1938.

Let us realize that the challenge of Home Missions is a call to new frontiers of work; it is a call to love for the lost because they are lost, of every tribe and nation, right here in our midst; it is a call of the neighbor to the help of the spiritually helpless who lie wounded and stripped on the side of the road that runs by the door where he

lives; it is a call for the adjustment of racial relations here at home that test the Christ-spirit of our churches and prove or disprove the reality of our mission passion.

18. **Foreign Missions**

The Foreign Mission Board is grateful to God for His manifold blessings and to Southern Baptists for their love and gifts and prayers. Yet Southern Baptists, when they are confronted with what they have done and with what they might have done, can but feel that often they fall short of the glory of God in matters of work. Notwithstanding our failure to do our best in matters of advancing the Kingdom of God, we are grateful to God for what faithful and sacrificing Southern Baptists and our missionaries have done.

The Foreign Mission Board now has 419 missionaries and 1,082 native workers in the 13 foreign countries in which it is operating. On these mission fields are 1,774 churches, of which 1,053 are self-sustaining, and 3,046 outstations. These churches have a total membership of 214,975. During the past year 16,207 united with these churches by baptism.

Many questions are asked with reference to the effect of the war on our Christian work in China. In writing the report for Central China, Dr. H. H. McMillan says:

"This report could be filled with heart-rending stories of suffering among the milions of people during and after the storm. If I were to dwell upon this side of the picture, however, I would not be true to the heroic example of the Chinese who are having little to say about the past losses and suffering, while applying themselves with fortitude and courage to the work at hand. There is a noticeable absence of bitterness and complaint. From the lips of Christians flows a constant stream of praise to God for his goodness and protecting care. Material losses sink into insignificance in the presence of such divine providence. With all the waste and ruin of war, there is one thing that cannot be destroyed, and that is the church of the Living God. The storm that would have destroyed the churches only caused their roots to sink deeper into the soil and scattered the Gospel seed far and wide. The teaching of Jesus had been fulfilled: 'Upon this rock I will build my church and the gates of hell shall not prevail against it.' Moreover, first-century Christianity is repeating itself, 'They that were scattered abroad went everywhere preaching the word.' The missionaries, like the Chinese Christians, are challenged to greater endeavor for our Lord. Miss Sophie Lanneau expresses the feeling of all the missionaries when she says: 'This is the time to stay and to do whatever one's hand finds to do unto the Lord. This is the time for our people at home to be encouraged and not discouraged. The life that can say "Thank God for his mercies" after such past months is a life showing the reality of religion. Christ is not going to lose. He will continue to be glorified.'"

19. **Report on Christian Education**

Religious education is as old as the human family. God taught Adam and Eve in the Garden of Eden His laws of life. He gave them definite instruction. From that day until now the work of Christian education has continued.

Today, the program of Christian education is vital in the life of our modern world. The Christian college that is genuinely "Christian" will give to the world real character. In these perilous times the call for Christian statesmanship and leadership is imperative. The church-related schools have made a worthy contribution to the development of our national life.

Wake Forest College with its consecrated professorship and its amiable record is to us an object of pride. Her scholarship, her spirit and her efficiency give her a high place among the great colleges of the South. Meredith is doing for our girls what Wake Forest is doing for our boys. Chowan, Campbell and Mars Hill are the junior colleges under Baptist control and ownership while Wingate and Boiling Springs are doing a most excellent work in the junior college field, though not now owned by the State Convention.

We have demanded of these colleges that they give our children Christian education and they have not betrayed the trust. And now upon us they assert their claims; claims that are not unjust. They ask of us our patronage, our prayers, our moral and financial support. Upon us more than upon them depends the future of these colleges.

Reports on Christian education at our associations help no school unless they encourage the churches and individuals to help some school with both funds and students. The ideal of turning out graduates with a real interest in doing church work and with a better knowledge of how to do church work is crystallizing in all our Baptist schools. The correlative ideal for Baptists is that we must maintain these schools—and so maintain them that they shall rank as first-rate institutions educationally. It is inevitable that institutions that are not Baptist will attract, train and hold our Baptist youth unless we Baptists adequately equip and endow our schools, so that these will be able to offer Baptist youth as complete educational advantages as are found in other schools.

20. **The Biblical Recorder**

The Baptists of our State who wish to keep informed as to Baptist activities in the State and throughout the Convention realize more and more the great need of the *Biblical Recorder*. It is needed in our homes because of the fact that the weekly and daily press not only fail often to speak favorably of Christianity, but too often speak slightly about it.

We need it for the right interpretation of truth. We need it for inspiration. We need it for indoctrination. Our goal should be the *Biblical Recorder* in every Baptist home in the Pee Dee Association.

Benevolences

21. MILLS AND KENNEDY HOMES

The purpose of the Baptist Orphanage of North Carolina as provided in the charter, section four, is "to prepare poor and promising orphans for the duties and responsibilities of life." The Orphanage, therefore, is not an institution for the feeble-minded, neither is it a reformatory. It functions in the field where it can be of the greatest service.

Since the home was founded in 1885 it has had four General Superintendents: J. H. Mills, 1885-1895; J. B. Boone, 1895-1905; M. L. Kesler, 1905-1932; I. G. Greer, 1932—.

The Orphanage operates two homes, the Mills Home at Thomasville and the Kennedy Home at Kinston. The administrative office, with I. G. Greer, General Superintendent, and R. D. Covington, Treasurer, is located at Thomasville. The Social Service Department, under the supervision of Miss Hattie Edwards, is administered from the main office at Thomasville. J. C. Hough is Superintendent of the Kennedy Home, Kinston.

The Orphanage is constantly being confronted with two embarrassments. First, it is impossible to make room for all who apply for admission; and second, it is equally impossible for our case workers to make investigation immediately on receipt of applications.

Perhaps no other orphanage in all the world is so bound up with the Sunday schools as ours. Almost from the beginning our chief support has come from the once-a-month collections from the Sunday schools. There are 2,437 Sunday schools in North Carolina. If each one of these schools would take a collection and send it in monthly it would enable our treasurer to pay all obligations promptly. So far the policy of the once-a-month collection, as adopted by the Baptist State Convention, has proved to be the most satisfactory method of financing the Orphanage.

The health record of the Orphanage is unparalleled. Out of the large family in the two homes only one child has died in over six years. This health record is attributed largely to the fact that the children are fed well and that they eat and sleep regularly. They are clothed appropriately for the season. They work hard, play hard and study hard under proper supervision.

One of the greatest assets in the life of the Orphanage is the library. Here the children not only have access to the best books and choicest magazines, but their reading is directed by a skilled librarian.

Charity and Children, as its organ, is the right arm of the institution. The work of the job department has grown until it is a big business enterprise within itself. It gives valuable training to quite a number of the boys. The circulation of the paper is now 27,870. We ought to have a club in every Sunday school. The price to single sub-

scribers is $1.00, in clubs of 10 or more to one address, 60 cents per copy a year. The plan in these clubs is to furnish a copy of the paper to each family represented in the Sunday school.

22. **The Baptist Hospital**

The ministry of healing is indeed Christianity in practice. In the North Carolina Baptist Hospital, the Baptists of our State undertake to "heal the sick" as He taught. Patients come from every section of the State, often traveling great distances in the faith that there will be beds available for them and they will get the care and treatment. If a bed or even space for a cot is available, they are received regardless of creed or ability to pay. In keeping with the hospital's Christian character, no applicant for admission has ever been turned away because he or she didn't have the price.

Our Opportunity

A minimum of $200,000 must be obtained to end the over-crowded condition at the hospital by doubling its bed capacity, and at the same time without cost to our denomination enabling it to work hand in hand with the new Medical School, a branch of Wake Forest College that will be constructed on the hospital grounds.

A great and generous gift by the Bowman Gray Foundation is making possible the construction and endowment of this Medical School. Thus the hospital will become part of a great new Medical Center.

We cannot fail to meet this urgent appeal in a way that will reflect honor upon our denomination in the present and in the future.

23. **Ministerial Relief and Annuity**

The Relief and Annuity Board of the Southern Baptist Convention has just completed its twenty-first year of service. It has paid in benefits during these twenty-one years $3,560,690.21. The relief benefits during the past year totaled $90,776.28, and annuity benefits, $233,748.38.

Our people should give to the work of this Board earnest prayer and liberal contributions.

24. **Fellowship Offerings for Relief**

In addition to the regular Co-operative Program gifts, which are by no means sufficient for the work of this Board, every church within the bounds of the Southern Baptist Convention should respond to the appeal of the Board for at least one Fellowship Offering to be taken at the Lord's Supper during each year. Such action on the part of our churches would make it possible for this Board to provide benefits for aged ministers and widows that would really meet their necessities. At present we are not meeting their necessities—we are only helping a little. How simple a matter it would be for our churches to do this, and we believe they will do it if our ministers will request it. Surely

no minister will feel embarrassed in making this proposal to his church, for it will not be for himself but for others.

25. The Convention Ministers Retirement Plan

The Convention Ministers Retirement Plan, which is already in operation in South Carolina and Texas, is expected to go into operation during the present year in at least six other states, and before the beginning of the new year in several more.

This plan is the flowering forth of all previous plans and promises to bring adequate support for all active ministers of the Southern Baptist Convention. Unfortunately those who have already retired cannot participate in this plan—they must be aided from the Relief Department, but there is no reason why in the years to come there should be a single needy preacher in his old age in the Southern Baptist Convention. Surely our churches, who have been exempt from taxation by the government and have been left free to carry on their work without interference from the government, will feel that they should do voluntarily for their ministers what the government requires business organizations to do by law.

This new plan is making great progress, and it has behind it the State Conventions, the State Boards and the officials of the conventions and the boards, and this time the preachers themselves, for the funds they ask their churches to pay toward this plan are not for themselves as individuals, but for a great group of preachers who participate in the plan. It is a plan that offers a real solution of the problem of ministerial relief and is destined to be accepted by every State Convention, and we trust by every church and minister in the Southern Baptist Convention.

26. Teaching and Training

In the early days attention was almost solely on evangelism. Now that our membership has grown so rapidly emphasis must be given to the training and development of the membership, without, however, omitting evangelism. About 1900 State Missions began to assume a part of its enlarging task. Sunday school departments were established as a part of the general work. The workers connected with this department, as time would permit, went out to the churches in an effort to secure and train better teachers and to put into operation better methods of Sunday school administration. At a later period the B. Y. P. U. —now the B. T. U.—was organized, emphasizing not so much the teaching but the training and development of the membership.

With the department of our work in the hands of such leaders as Brethren Perry Crouch, L. L. Morgan, Nathan Brooks and their efficient helpers, we feel sure that we shall press toward the goal.

Respectfully submitted,

CHAS. E. STEVENS.

EDGAR MACON BROOKS, SR.

In Whose Honor and Appreciation the 1940 Minutes Are Issued by Order of the Association

Born in Stanly County, North Carolina, near Norwood, February 5, 1861, the son of Cullen Brooks and (Mrs.) Louisa Allen Brooks. Education limited to the three months public schools of his day, yet a diligent student and constant reader of the Bible and the best books obtainable through the years, being a continuous subscriber to the *Biblical Recorder* for sixty-two years. Other publications having a great influence in his life were: *The North Carolina Farmer*, and *The Progressive Farmer*. Married (Miss) Emma Eugenia Morton, January 23, 1901. Children: Cullen Paul, Clara Jane, Edgar Macon, Jr., Julian Allen, Boylus Cade, Mary Louisa. Joined the Baptist Church in 1887. Began his Baptist Ministry in 1897. Not ordained until two years later in Old Rocky River Church because as he states "I felt it my duty to prove my calling before asking for ordination." His first churches were Pleasant Hill and Cottonville in Stanly County. He served continuously at different periods thirty-six Baptist Churches and retired in 1940 after a thirteen-year pastorate of the Peachland Church in Anson County. As Historian of the Pee Dee Baptist Association (1929-1940) he rendered a great service in presenting and recording valuable factual data on the thrilling history of this one hundred twenty-five year old Association. He is now living and continuing his ministry near the scenes of his youth in Stanly County.

RECORD OF PROCEEDINGS

OF THE

ONE HUNDRED TWENTY-FIFTH ANNUAL SESSION

OF THE

PEE DEE BAPTIST ASSOCIATION

HELD WITH

CARTLEDGE CREEK BAPTIST CHURCH

R. F. D. No. 4

ROCKINGHAM, NORTH CAROLINA

TUESDAY

Afternoon Session

October 22, 1940

1. Missionary Baptists of the Pee Dee Baptist Association, comprising the counties of Anson, Richmond, and Scotland, convened in One Hundred Twenty-fifth Annual Session, Tuesday afternoon, October 22, 1940, with the Cartledge Creek Church in Richmond County.

2. T. G. Thomas, song director, assisted at the piano by Mrs. Marjorie Thomas Tutor, both of the Cartledge Creek Church led, as the Association sang "To The Work."

3. The devotional service was led by the host pastor, C. E. Ruffin, Ellerbe.

4. At 2:25 Moderator W. H. Moore, Wadesboro, called the Association to the transaction of business, indicating that the sessions would cover two days for the first time since 1924, and that the Association last met with Cartledge Creek Church twenty years ago.

5. Announcement was made by Clerk Charles B. Deane, Rockingham, that messengers were being enrolled under the guidance of W. H. Covington, Cartledge Creek Church, and the Clerk's motion that those messengers now enrolled and others who may register during the sessions shall constitute the Association of 1940, was adopted. Thereafter messengers and visitors from the different churches present were recognized.

6. Moderator Moore released the following committees:

Committee on Committees: J. Marvin Smith, *Chairman,* B. H. Condor, and C. M. Covington.

Committee on New Church Applications: Aubrey S. Tomlinson, *Chairman,* Bruce Benton, James B. Little, and J. C. Meigs.

7. Robert C. Melton, Rockingham, pastor at McDonald and Marston and L. A. Huneycutt, Wingate, pastor at Pleasant Grove (A) were welcomed for the first time as new pastors in the Association.

8. Visitors at this session from without the Association were cordially welcomed. They were: M. A. Huggins, Raleigh, General Secretary, North Carolina Baptist State Convention; Dr. A. C. Reid, Wake Forest College, Wake Forest; I. N. Patterson, Missionary to Africa, now representing the Foreign Mission Board, Richmond, Virginia; and C. C. Burris, President of Wingate Junior College, Wingate.

9. Missionary Patterson spoke at this time in behalf of the Foreign Mission Board and urged the messengers to subscribe to the different publications issued by the Board.

Song: "Near The Cross."

10. General Secretary Huggins brought the first message of the afternoon. His words centered around the Co-operative Program and the efforts of the Convention to erect the Wake Forest College Chapel. During the course of his message Clerk Deane pointed out that the churches of the Association had given to local gifts approximately $3,500.00 over 1939, and $2,100.00 over last year to Co-operative Program and denominational gifts. Secretary Huggins indicated that gains were being shown throughout the State but urged each church not to fail in support of the Wake Forest Chapel movement.

11. The Moderator, Chairman of the Chapel Movement in the Association, urged the churches to complete their canvass before November 15, 1940, calling attention to the fact that it was at this historical old church, Cartledge Creek, that the Third Annual North Carolina Baptist State Convention met November 1-6, 1833, and approved the report and the initial plans for the establishment of Wake Forest College, then designated Wake Forest Institute.

Song: "Amazing Grace."

12. Dr. A. C. Reid, head of the Department of Philosophy, Wake Forest College, followed with a message on Christian Education. His message was so well received that upon motion by J. B. Willis, Hamlet, the Clerk was instructed to write President Thurman D. Kitchen, Wake Forest College, expressing the gratitude of the Association for the presence of Dr. Reid and for his challenging address.

13. President Burris, Wingate Junior College, next responded and upon motion by Charles B. Deane, Aubrey S. Tomlinson, Laurinburg; T. W. Hearne, Rockingham; and A. D. Griffin, Peachland were confirmed as Trustees of the institution.

14. The afternoon session then adjourned following prayer by L. A. Huneycutt, Wingate.

WEDNESDAY

Morning Session

October 23, 1940

15. At 9:30 the morning session of Wednesday, October 23, 1940, convened with the song director leading in singing "Leaning On The Everlasting Arms" and "My Hope Is Built."

16. B. H. Condor, Minister at East Hamlet, led the morning devotion.

17. A special musical selection "Whisper A Prayer" was rendered by Miss Martha Williams of High Point.

18. Additional messengers and visitors from the churches having been enrolled were recognized. Other visitors welcomed from without the Association present at this session were: John Arch McMillan, Editor, *Charity & Children,* and Miss Louise McMillan, Thomasville; Rev. J. Boyce Brooks, Mrs. C. V. Brooks, and Miss Eleanor Brooks, Rowland; Mr. W. A. Hough, Norwood; Mrs. Neill Huggins and Mrs. Ernest Coble, Monroe.

19. Bruce Benton, Rockingham, submitted the Association Report, covering the principal objects of our State, Southwide and World programs for Missionary Baptists. The report was adopted as follows upon motion by J. Marvin Smith.

THE ASSOCIATION REPORT

20. **The Co-operative Program**

The Co-operative Program is a plan adopted by Southern Baptists whereby each Baptist and each church, through the unified budget, may share in giving to the entire Kingdom's work. This plan has proved to be most effective so far, and it is growing more popular with the passing of years.

21. **Missions**

For the sake of convenience we have divided missions into State, Home and Foreign Missions. But we are to remember that the name does not change the purpose and character of missions. Every Baptist church is a missionary church, and every Baptist preacher is a missionary. All our churches are in the great work of giving the Gospel of the Son of God to those who have it not, and all our preachers are set to preach the unsearchable riches of Jesus Christ and him crucified, whether on a state-wide, home-wide, or world-wide basis.

22. **State Missions**

This is the immediate task of every Baptist in North Carolina for building up the Kingdom within the confines of our own State. With the influx of people from all parts of the world into our State; with the rapid industrialization of our State; with the growth of towns and

cities, and the constant changes in our rural population, there is imperative need that we give more serious attention to the work of the Lord in our domain. New churches ought to be established and aided where there are not enough Baptists to carry on the work. Weak, struggling churches ought to be given sufficient aid to keep them functioning until such time as they can support themselves. The present strength of our denomination in the State is due in large measure to the fact that, in the earlier days, our fathers wisely planted mission stations in towns and in the country; and from these small beginnings have developed some of our strongest churches.

23. Home Missions

Southwide in scope, the Home Mission Board, located in Atlanta, Ga., is undertaking to evangelize and develop those stretches of our territory in which the separate states have but partially labored, or which have not been able to cope with the difficult situations. No one state can adequately take care of our larger cities, the great numbers of foreigners, the Jews, the Negroes, the industrial and recreational centers. The Home Board is doing a splendid piece of work along these lines, besides the work it is carrying on in Cuba, Panama, Canal Zone, and other points in Central America. If we let our Southland become paganized and papalized, then there is but little hope for evangelical religion in the United States.

24. Foreign Missions

When the Lord commanded his disciples to go, make disciples, baptize them, and to teach them to observe all things commanded, he placed no racial or territorial boundaries. Our Foreign Mission Board, with headquarters in Richmond, Va., is undertaking to carry out the "great commission" by sending missionaries into Asia, Africa, Europe, South America, Mexico, and other outlying districts of the world. The second great World War now in progress has greatly disrupted the work of our missionaries; but it has not destroyed their faith in God, and their will to remain at their tasks until the Kingdom come and His will be accomplished. Now, as probably never before, is our opportunity to reach and evangelize large sectors of the human race who have lost faith in governments and rulers, and who are like sheep without shepherds. It is no time for retrenchment and retreat; of all times, it is the day of opportunity for a great crusade for Christ our Lord.

25. Christian Education

Illiteracy is the bane of all races and all cults. It breeds fanaticism, superstition and fear. An educated people is an open-minded people. But an education without the Christian motive undergirding it, may become a dangerous instrument in the hands of man. We believe, therefore, in a system of education that teaches the truth, all that is true; and which is not circumscribed by the traditions of men. In our Baptist colleges and schools we find that system operating at its highest

level. The policy of our schools is to develop Christian character in the students as well as to impart knowledge to them. We make no apology for maintaining and supporting these schools; "by their fruits ye shall know them." They should be kept distinctively Christian and Baptist, and the denomination should give to them its loyalty, support and patronage.

Benevolences

26. The Hospital

In our State the Baptists have only one hospital, located in Winston-Salem; but it is one of the best manned and equipped hospitals in all the country. With the gift of the Bowman Grey Foundation, the School of Medicine of Wake Forest College is being transferred to Winston-Salem, and will have its domicile on the grounds of the Baptist Hospital. That means an enlarged medical college and an enlarged hospital. Our offerings on Mother's Day should be greatly increased in order to take care of the increasing number of needy patients who are entering the hospital.

27. The Orphanage

Our Baptist Orphanage is comprised of two units—one at Thomasville, known as the Mills Home, and one at Kinston, known as the Kennedy Home. Both of these institutions are doing a great and good work, and both are caring for and training a large number of boys and girls, who otherwise might be lost to society and to our Lord's work. These institutions are dear to our people, and our churches cheerfully contribute to their support through the monthly offerings in the Bible Schools, and the annual Thanksgiving offering.

28. **Ministers' and Church Employees' Retirement Plan**

For the first time in the history of our state work, the Baptists have formulated and adopted a plan by which old ministers and other church employees may retire from active service with the assurance of a limited support. While the amount of help this fund provides is at present meager, it promises greater assistance in the years to come. Every pastor should enroll in this Retirement Plan, and every church should count it a privilege to have a part in this needed work. This plan is in co-operation with the Relief and Annuity Board of the Southern Baptist Convention.

Training Activities

29. Bible Schools

One of the finest agencies for teaching and training our youth, as well as the adults of our churches, is the Sunday School, better defined, the Bible School. Through this agency the churches obtain the majority of their recruits. Consequently it is very important that our Sunday Schools be manned by men and women who are qualified by training, and who have been "born from above," that their pupils may be led

into a consciousness of their sins and into the saving knowledge of the Son of God. Our goal should be "More and better Sunday Schools, better trained teachers, better material equipment, and better teaching of the Word of God."

30. Baptist Training Union

The fact is, that in most of our churches the Training Union has not been taken seriously. In some cases, pastors feel that the Unions have not trained their young *into* the churches, but rather away *from* the churches. The fault, probably, is with both pastors and parents, in that they have not taken an active and guiding hand in the work of the Unions. Or else the trouble lies in the leadership of the Unions. In all events, our pastors and churches find it difficult to keep the Unions properly functioning. We ought to abandon them, or else put more energy and spirit and thinking into them. None questions the need and importance of training our youth in Bible study and methods. We ought, therefore, to utilize the Training Unions, and to make them great dynamos of spiritual power. It can be done, but it is going to take prayer, consecration and divine wisdom on the part of those who are the leaders in this field.

31. Religious Literature

In this day of radio, pictures, and reading matter of all types, it is highly important that the right sort of literature come into our homes. Certainly every Baptist home in the State should have the *Biblical Recorder* on its table, so that no member of the family could escape its influence. What a child reads will largely determine the character of that child. "As one readeth, so is he."

32. Conclusion

Notwithstanding the horrible conditions created by war in Europe, and the bewildered state of mind of our own people, we have much to encourage us. The Lord has greatly blessed us, our churches have grown and prospered, our schools are full to overflowing, and all signs point toward a larger opportunity for our Baptist people to demonstrate the principles of religious freedom, democracy in church government, and loyalty to the teachings of our Lord Jesus Christ.

Respectfully submitted,
BRUCE BENTON.

Song, "Blessed Jesus."

33. A message, "Old Age Ministers and Ministers Retirement Plan," was brought by J. B. Willis, Hamlet.

34. J. Boyce Brooks, Rowland, guest of the Association, came as the representative of the *Biblical Recorder* and spoke on Religious Literature.

35. In the absence of Smith Hagaman, Superintendent of the Baptist Hospital, Winston-Salem, C. E. Ruffin, the Hospital Representative

in the Association, spoke of the greatly enlarged program at the Hospital and the establishment of the Bowman Grey Medical School of Wake Forest College and urged closer co-operation on the part of the churches.

37. The special order at this hour was a message on the "One Hundred Twenty-fifth Anniversary of the Pee Dee Baptist Association" by Historian E. M. Brooks, New London, for thirteen years pastor at Peachland, but recently retired. The Association took special recognition of the honorable life and special service rendered by Brother Brooks now nearing eighty years of age, when, following a motion by J. B. Willis, the Association authorized the Clerk to dedicate the 1940 Minutes in appreciation of his Godly life. At the close of Brother Brooks' message a love gift amounting to $33.42 was presented to him by the messengers and visitors in attendance.

38. J. Marvin Smith, *Chairman* of the *Committee on Committees,* submitted the report for the Committee and upon motion by C. E. Ruffin was approved as follows:

Condor. As the Moderator extended greetings to this new church attention was called to the fact that even now this group of Baptists were giving more to the denominational program than several churches which have been in the Association for many years. The Pastor was requested to carry to this new group of Baptists greetings from the Association, urging also that they continue their splendid efforts and actively take part in all phases of the Baptist denominational program.

40. Cards sponsored by the United Dry Forces in North Carolina were distributed among the Messengers and visitors and approximately three hundred were signed, being a pledge to abstain from the use of intoxicating liquors and also to be used with other signatures from North Carolina in submitting a memorial to the 1941 North Carolina State Legislature asking that a state-wide referendum on the sale of intoxicating liquors in North Carolina be granted.

47. Upon the insistence of both J. C. Meigs, Polkton, who was to speak on "Memorials—Today's Challenge" and Aubrey S. Tomlinson, Laurinburg, named to lead a discussion on Church Problems, these points were omitted since the program was running forty minutes behind schedule.

48. *Chairman* Bruce Benton of the *Committee on Place and Preacher* for the 1941 Association reported that the Committee recommended that the next session be held with the East Rockingham Church and that B. H. Condor, Hamlet, be asked to preach the Annual Sermon. The report was adopted upon motion by Vice-Moderator Tomlinson, who had been succeeded as presiding officer by the Moderator.

53. In the closing minutes the question of the reorganization of both the Associational Baptist Training Union Convention and the Associational Sunday School Convention arose. On the question of the election of an Associational Director of the B. T. U. Convention, Charles B. Deane expressed the belief that a logical person might be secured from the Laurinburg, *First* Church. Whereupon Aubrey L. Tomlinson nominated Madison Hudson, Laurinburg, as the Director and he was duly elected. Moderator Moore stated that he felt if the Association should elect E. P. Pearce, Sr., Hamlet, formerly Superintendent of the Associational Sunday School Convention, he would accept and upon the Moderator's motion E. P. Pearce, Sr., was elected.
